CERTIFICATE OF PATENT

Patent Number **10-1882762**

Application Number 10-2017-0057834

Filing Date 2017.05.10.

Registration Date 2018.07.23.

Title of the Invention

Method for producing adhesive sheet comprising a surface-coating film layer having antifouling property and scratch-resisting property and surface coating layer forming solution for forming surface-coating film layer

Patentee

[redacted]

818, 27, Dunchon-daero 457beon-gil, Jungwon-gu, Seongnam-si, Gyeonggi-do, Republic of Korea

[redacted]

This is to certify that, in accordance with the Patent Act, a patent for the invention has been registered at the Ministry of Intellectual Property of the Republic of Korea.
